Dear Kevin,

I wanted to thank you and everyone at Christian Roofing for the excellent job you and everyone did in my recent roof replacement. I appreciate the honest and clear options for my replacement and that the work was done so efficiently. Follow up and clean up after the job was also greatly appreciated.

I have sung your praises to Bill Jones at Alfa Insurance and he says he rarely finds customers SO HAPPY. Thanks to you and Will Goodwin, the adjuster, everything went so smoothly! I have enclosed a few of Bill's business cards as he has a lot of homes in and around Athens insured.

I personally would be happy to recommend Christian Roofing & Remodeling to anyone.

Sincerely,
